CONCOURS MOTORS

5TH ANNUAL CAR GIVEAWAY

We're looking for someone wonderful to take home this 2006 BMW 3-Series (E90).

Every year we work unpaid hours to rebuild a reliable car for someone wonderful. We are looking a student, tradesperson, essential worker; anyone who would use this car to give back to others. Nominate as many Ventura County residents as you'd like, and please share this with your local friends and family, to help us give some hope to someone who needs it this year.
